We have been supplying the catering industry and private homes with catering equipment and furniture for over 30 years. The reason we've made it this far is by putting our emphasis on quality and service. Every item we deliver is given the same care and attention whether it's a tea spoon or an industrial fan oven, which makes for brilliant quality hire items.

We believe our service is second to none and we've been around for this long thanks to our loyal customers who know we will deliver on-time, every time. It's not just about the tableware, ovens and Furniture we supply, but about the relationships we've built over the years.

We take great pride in providing clients with the right advice to make your event a great success, backed by service levels that ensure you get exactly what you need for your event.
